That this week will bring to Richmond. niversity, Massachusetts, to deliver the ames Thomas Memorial lectures at ichmond College, is an announcement which carries with it a great deal of easure to people who are interested in gher education and whose minds are clined to science,

It is a kindness not due and not needul to the educated and thinking people Virginia to introduce Dr. Hall; for is already easily recognized in the anguard of the country's mighty hosts f teachers. There are plenty of medicines which act merely as trakes to "slow up" the disease and put aff disaster for a little while; but that isn't though. What is needed is a medicine that will instantly reverse the entire wasting, figure rating process.

will instantly reverse the entire wasting, fegenerating process. When people are losing flesh and strength such vitality, with the life oozing out of them, fay after day, they need Dr. Pierce's Golden bledieal Discovery, which acts directly upon the vital forces, completely transforms the suiter nutritive organism and totally reverses the wasting, debilitating process which is at the root of all diseases. It enables the digestive and blood-making organs to supply the circulation with an abundance of pure, healthy, red blood. It stops the wasting of tissue, builds up solid muscular flesh and healthy nerve-force.

Miss Mary Whitman, of East Dickinson,
Fanklin Co., N. Y., writes: "For nearly ten
boaths I have had a bad cough, and instead of
stiling better, it grew worse, until I was advised
by a friend to try Dr. Pierce's Golden Medical
Discovery. I hesitated at first, for it seemed to
fice nothing would give relief only death. My
facents were anxious about me, and I was said

and before I had taken many doses there was a
feat change. When the second bottle was empty
